To whom it may concern

"Maharashtra Seamless Limited" is a renowned and biggest Seamless Pipe manufacturing company in India and is also in the business of Crude Oil exploration. It has its corporate office in Gurugram (India) and factory in Maharashtra.

As the General Manager in the "Technical Procurement department" in "Maharashtra Seamless Limited" I am happy to write this "letter of recommendation" for Mr. Rishabh Jain, resident of "L-19, Green Park Main, New Delhi 110016, India".

I know Rishabh for more than one year. In May 2022, he had shown his interest to get knowledge in Mechanical Designing and Engineering, and hence, from "June 2022 to August 2022" he did his internship under me at our corporate office. He learnt the process of pipe manufacturing, analysis of raw material, crude oil exploration through oil rigs, study of mechanical drawings, and searched suitable vendors among few other things around the above.

During this period I observed that he is sincere, has a good innovative and engineering mind, has impressive communication skills, and good grasping power.

I highly recommend Mr. Rishabh Jain for admission in the undergraduate course at your esteemed university and wish him best for his future endeavours.

Yours sincerely,

For Maharashtra Seamless Limited,

Rajesh Jindal
