

GLOBAL EDIFICATION AND SPORTS FOUNDATION

Date 27th October'22.....

It is with great pleasure that I write this letter of recommendation for Rishabh Jain. I have known Rishabh for the last eight years as his basketball coach when he joined my academy and started practice as a small boy. I have seen him mature into a young man.

Rishabh has been a very obedient, punctual student; he gradually picked up the sport and with his consistent practice and performance he deserved to be the captain for four years. He led the team with utmost determination and brought laurels to the team. Rishabh has played multiple tournaments and interschool and zonal matches. He believes in team effort, has motivated and mentored many students through his captaincy, and has bought about a positive relationship with his teammates.

His sportsmanship is impeccable. During matches, I always observe him as a go getter and after matches he was a calm and a happy person. He takes quick decisions, does not let go of an opportunity to score, and formulates situation appropriate strategies to win.

He has played several matches and raised money for charitable organizations. Rishabh has also helped me to set up a basketball club called "U Hoopers" for children of charitable academic institutions.

After several injuries and matches lost and won, Rishabh has turned out to be a true winner in all sense. I am confident he will never leave the passion he holds for the sport.

I wish him all the best.

Feel free to get in touch with me.
